

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of Heaven belongs to such as these."

Matthew 19:14

Educational Goals For The Young Child

*We want children to learn to work and play independently; to have the opportunity to develop positive relationships with their peers and adults.

*We want children to develop a positive sense of self esteem - a belief that they are able to accomplish whatever they set out to do; that they are good and valuable people.

*We want children to learn to live compatibly with other people and understand that everyone's needs and beliefs should be respected.

*We want children to learn to develop a love of learning, to be able to ask questions, do research, and use available resources effectively.

*We want children to become familiar with their creative talents - and to feel that this creative side has value and brings a sense of beauty into their life.

*We want children to learn that work is not always easy, but often hard; to continue, to follow things through to their end; to feel determined to find answers.

*We want children to feel comfortable with emotions, to be capable of managing feelings of anger, sorrow, fear, and joy in a healthy manner.

*We want children to feel comfortable and effective with using language as a means of communication in all it's forms.

*We want children to be aware of God, His creation, and His love for each of them.

Admissions/Registration

*Children will be placed in classes based on their age by September 1st of the current school year. All K4 & K5 children must be potty trained. Total potty training is not always developmentally achievable in young 3 year olds, and to be potty training until well into the K3 year is very normal. K3 classes will not have diaper changing times, but will have one or more scheduled restroom breaks during the day. We will encourage your child to go to the potty during the day, and we will clean all accidents of which we become aware. We do ask that you always have a change of clothes in your child's bag.

*Registration is open to currently enrolled families first, church members next and then to the public.

*All children must have an updated South Carolina immunization certificate by the first day of school. Immunizations must also be updated regularly according to the South Carolina Immunization Schedule. For the health and safety of all our children, we do not accept religious exemption statements in place of immunization certificates.

School Hours

Early Stay - 7:30am - 9:00am
 W.E.E. School - 9:00am - 2:00pm
 K3 & K4 - 9:00am - 12:00pm

Discipline

W.E.E. School teachers and Kindergarten teachers are responsible for the discipline in their classroom. Teachers will encourage appropriate behavior by talking to the children and reminding the children of the class rules and reasons for these rules. Teachers will always speak to the children in a kind, caring, and respectful tone. Occasionally, a time-out chair may be used to emphasize the importance of following the class rules. If the behavior continues, the child may be sent to the office, and a note will be sent home for the parents to sign and return. If the behavior persists, parents may be called and possibly asked to take their child home for that day. When misbehavior continues to be a daily occurrence, a conference will be set up between Director, classroom teacher, and the parents to discuss the needs of the child and to create a plan for the child. There will be no corporal punishment allowed at Aldersgate CDC.

*** Tuition is non-refundable in the event of withdrawal.

*** Registration fees are non-refundable.

*** In the event of withdrawal from the K5 class after school is in session, a penalty fee of \$358 (the next month's tuition) will be required.

Aldersgate Child Development Center promotes social, physical, intellectual & spiritual growth for our children by providing a loving, Christian environment, implementing play-based, hands-on learning and maintaining a close partnership between teacher & parents.
